VIA, ELECTRONIC FILINGThe Honorable Jocelyn Boyd
Chief Clerk/Executive Director
Public Service Commission of South CarolinaRe: • Docket 2019-365-E
 • Clarification

Ms. Boyd:

The undersigned represents Ecoplexus Inc. (“Ecoplexus”).

This letter is with respect to Dominion Energy South Carolina, Inc.'s (“DESC”) counsel's correspondence to you earlier today in this Docket. DESC's correspondence contained the following language, "Further, Ecoplexus, without adopting the specific reasons stated by DESC, indicated it 'concurs with and generally supports, DESC's request that a separate docket be established for DESC'". As counsel for Ecoplexus, the correct inference that this Commission should draw from this language is that Ecoplexus' position is consistent with the position set forth in the South Carolina Solar Business Alliance, Inc.'s, (“SCSBA”) correspondence to you last evening. Ecoplexus concurs with SCSBA’s position that this Commission should sequence this Docket to focus on Competitive Procurement for DESC first and for Duke Energy Carolina, LLC and Duke Energy Progress, LLC later (i.e., separate dockets).

Please advise if you require any additional information and this request is,

Respectfully Submitted,
